To be used by people (groups, individuals, families) as you do ministry at church, home, work, school and family. It can be formal or informal

## Scripture Passage – relevant to this ministry/service

### What?

What is the ministry (service)?

What need is being helped/addressed?

What were the results?

### So What?

What did you think about during the ministry (service)?

What affect do you think/feel this had on those benefitting?

How did this make you a good citizen of the world?

### Now What?

How has your understanding of this issue/need been enhanced?

How will you be an advocate for this issue/need?

- By your presence?
- Educating others by teaching, telling or speaking out?
- Informing legislators/officials?

How will you apply what you have experienced to your everyday life?

## Faith What? – How Did You Grow Spiritually From This Ministry/Service?
